

Pressure Seal

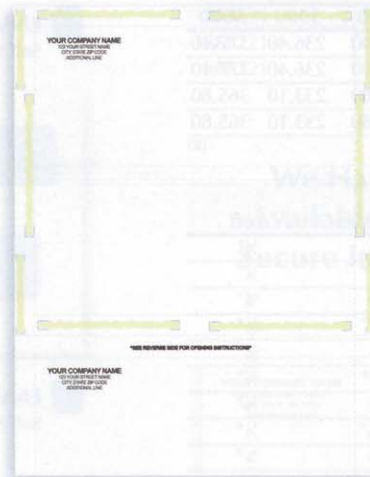

Easy and Worry Free!

Pressure Seal forms are designed to be secure and tamper resistant once you seal the form. All checks are printed on 28# laser bond paper and include a void in the pantograph. Pressure Seal checks require a fold and seal machine to activate the glue and seal the form.

Camera ready copy required for all Pressure Seal Products.

A 723104, 8 1/2" x 14", Imprinted Blue Pantograph, 1-Way 14" Z-Fold Check
